

# BECOME A RENAISSANCE HEALER

## Renaissance Mind: Healing Practitioner Certification

This professional program is for actively practicing and aspiring practitioners of the healing arts and sciences. It is a new model for therapy that can swiftly and effectively optimize every aspect of the Self, and can easily complement any therapist's repertoire.

This is the only place where you can learn the proprietary teachings, methodologies and protocols of Renaissance Mind and Healing, developed by Yogi Akal.

# BE AT THE FOREFRONT OF CHANGE

## Work with Individuals and Groups

Holistic healing and Yoga are currently multi-billion dollar industries and are projected to grow significantly in the coming years. More and more people are using these techniques and approaches in ways they haven't thought of before. Demand is constantly increasing for expert guidance and training in these areas.

Renaissance Mind: Healing Practitioner Certification is at the forefront of this global development. The system introduces a new set of protocols for healing. Practitioners learn how to create an immediate positive transformation within the human ecosystem and adjust the magnetic and energetic frequency for any being.

This integrative and interdisciplinary program is highly recommended for experienced healers and medical professionals, Yoga practitioners, teachers, therapists, and counselors, or for anyone who wants to expand their knowledge and skillset in the healing arts and sciences.

The first year of the program, the Renaissance Mind: Healing Studies program, is the prerequisite for Renaissance Mind: Healing Practitioner Certification program. It provides an opportunity for self-discovery and a concrete path to professional development or a new career in the burgeoning field of holistic health and healing.

In year two, the Renaissance Mind: Healing Practitioner Certification program equips both active professionals and aspiring healers with a comprehensive toolbox of effective and marketable skills that will enhance client outcomes and position certificants for continued success in any role as a healing professional.
